

## Report on Road Safety Awareness March

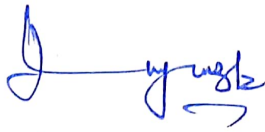

In line with the theme of **Sadak Suraksha, Jeevan Raksha**, and to participate in the National Road Safety Month (NRSM) 2025, GDC Rajpora organized a Road Safety Awareness March on January 24, 2025. Students and staff participated in the event, holding banners and placards with slogans aimed at preventing traffic accidents and minimizing human losses.

The procession covered key areas around the college, stopping vehicles to interact with drivers and raise awareness. Participants instructed violators on the importance of following traffic rules, including wearing helmets, using seat belts, driving within speed limits, and adhering to lane discipline.

The march culminated at the main gate of the college, leaving a strong message about road safety and the collective responsibility to reduce traffic accidents. The event was a success, reflecting the college's commitment to contributing to the national mission of promoting road safety.

## Report on Awareness Session on Road Safety

As part of the **National Road Safety Month (NRSM) 2025**, Government Degree College (GDC) Rajpura organized an awareness session on **Sadak Suraksha, Jeevan Raksha** on January 24, 2025. The event aimed to highlight the importance of adhering to traffic rules and promoting awareness about road safety among students and staff.

Prof. Ramiz Raja delivered an insightful lecture on the theme, emphasizing the alarming rise in road traffic accidents and their devastating impact on human lives. He urged the students to refrain from rash driving, over speeding, and other behaviors contributing to accidents. He also underscored the significance of using safety measures such as helmets and seat belts while driving.

The session, moderated by Prof. Gh. Mohiuddin Andrabi, saw active participation from students who raised pertinent questions and shared their views on the topic. The event concluded with a renewed commitment from the participants to follow traffic rules and promote awareness about road safety in their communities.
