## REPORT ON WORKSHOP CUM AWARENESS PROGRAM ON DISASTER MANAGEMENT 2023 UNDER VIKSIT BHARAT

The Department of Environmental Science, NSS wing of the College in

collaboration with the District Disaster Management Authority and 183 BN CRPF organized “Workshop cum Awareness Program on Disaster Management” on 19th December 2023 under the banner **Viksit**

**Bharat** with a **theme "Education and Technology"**. In this workshop, more than

30 students including NSS Volunteers participated. Faculty members also participated with great enthusiasm and interacted with the SDRF personnel.

Madam Principal, Prof. (Dr) Gazala Gayas appreciated the efforts of the organizers

and emphasized the need of such programs in sensitizing the students and equip them with disaster managing skills, as we reside in disaster susceptible areas. The team headed by the

Ghulam Nabi Bhat (Instructor SDRF) and Captain Nawaz Ahmad explained and beautifully demonstrated various life saving techniques and strategies to cope with the disaster. Prof. Rumisa Nazir

Head Department of Environmental Science welcomed the team. Dr Nahida (NSS Program officer) conducted the Question Answer session.
