

## Civil Defence Training

On “Fire Prevention & Fire fighting, Elementary First Aid, Personal Safety- Social Responsibility & Personal survival Techniques”

### A Report

Eagles and Angels, in collaboration with Government Degree College Rajpora, successfully trained and certified 180 students in essential disaster management skills. The three month comprehensive training program from 01-07-2024 to 30-09-2024 conducted under the Civil Defence initiative was directed by an official order from the Deputy Commissioner of Shopian. The initiative aimed to prepare students of local degree and paramedical colleges to serve their communities effectively in times of emergency. The program covered critical areas such as Elementary First Aid, Personal Survival Techniques, Fire Prevention and Fire Fighting, Personal Safety and Social Responsibility, and Vulnerability, Risk Assessment, and Mapping (VRAM), the latter being adapted from guidelines provided by the World Health Organization (WHO). Over the course of three months (July - September), participants received daily one-hour training sessions, and practical skills were reinforced through mock drills carried out in coordination with the **State Disaster Response Force (SDRF), Fire and Emergency Services, and the Indian Army's 44 RR (RAJPUT) battalion.**

The felicitation ceremony for the trainees took place on 5th November 2024, celebrating the dedication of these students and marking the completion of the training program. The ceremony was graced by several distinguished guests, including Dr. Gazala Gaiys, Principal of Government Degree College Rajpora, Prof. Rumisa Nazir Program coordinator, Major Praveen Patil representing the

44 RR (RAJPUT) battalion of the Indian Army, Dr. Mohd Yousuf, Block Medical Officer Shopian, Capt. Nawaz M. Bhat, President of Eagles and Angels, along with faculty members from SBGM Paramedical College and Government ANMT College Shopian. This initiative reflects the commitment of Eagles and Angels, the District Administration, and partnering institutions to build a safer, more resilient community. The trained students now stand ready to support their district in times of crisis, providing vital skills that could save lives and reduce disaster impacts.
